

Light of Hearts Villa

Faith-based, Person-centered Assisted Living and Memory Care for Seniors

Light of Hearts Villa (LOHV) stands as a beacon of compassionate care and community for seniors who need assisted living or memory care. As a faith-based organization, Light of Hearts Villa provides physical care plus emotional and spiritual support, recognizing the holistic needs of each individual to enhance their quality of life in a warm, supportive environment.

Seniors age 60 and older of all faiths receive compassionate, personalized care tailored to their individual needs in a vibrant and welcoming community. Residents are encouraged to stay active, engaged and connected through a variety of meaningful activities and opportunities that foster friendship, camaraderie and a strong sense of purpose. Nestled on a peaceful, picturesque campus in historic Bedford, Ohio, LOHV offers a range of living options designed to support residents as their needs evolve.

By the Numbers in 2025

- Nearly **100** residents receive compassionate care annually
- **\$420,000+** raised through #weGIVECATHOLIC, including two **\$100,000** matching gifts to support residents who outlive their financial resources
- **\$70,000** raised for the Vincentian Pathways Restoration Project, including a **\$50,000** matching gift
- **1,325** food and household items plus **\$5,000+** in cash and grocery cards distributed to seniors in the community through the Seton Safety Net food pantry

A Legacy of Compassionate Care

The Vincentian Sisters of Charity of Bedford established Light of Hearts Villa in 1989, converting the former Lumen Cordium High School into an assisted living residence. In 2001, they formed an innovative 50/50 partnership with the Sisters of Charity of St. Augustine. The Sisters of Charity Health System became the sole sponsor in 2015.

Mission in Action

Light of Hearts Villa reflects Catholic Social Teaching by honoring the God-given dignity of each person throughout the sacred journey of aging. Rooted in the Gospel call to care for one another, the ministry creates a community of love and belonging where residents experience compassionate care and the spiritual support to live with dignity, purpose and hope.
