

Rosary Hall

Compassionate Outpatient Addiction Treatment and Support

For more than 70 years, Rosary Hall has provided compassionate, evidence-based addiction treatment and faith-informed support, helping people move from struggle toward lasting recovery. Whether it's opioids, stimulants, cannabis or alcohol, Rosary Hall develops individualized plans to provide the most appropriate care.

By the Numbers in 2025

- **2,700** patient encounters
- **500+** Intensive Outpatient Program (IOP), chronic opioid therapy, aftercare, group and individual therapy sessions held
- **96.5%** overall satisfaction with IOP among Rosary Hall graduates
- **100%** of graduates reported the ability to enjoy life without the use of substances

Clinical Programming

- Intensive Outpatient Program (IOP) — Structured therapy sessions multiple times per week.
- Behavioral Therapy — Evidence-based treatment options that include multiple therapy types.
- Medication-Assisted Treatment (MAT) — Medication is combined with therapy to improve recovery outcomes.
- Aftercare & Recovery Support — Long-term planning, peer support, and Alcoholics Anonymous/Al-Anon and Narcotics Anonymous engagement to sustain progress.
- Rosary Hall Withdrawal Management Unit (coming early 2027) — In partnership with The Centers at the Glick Recovery Campus, safe, supervised care is offered to stabilize individuals and prepare them for treatment.

The Angel of Alcoholics Anonymous

Rosary Hall has been one of Cleveland's leading centers for addiction medicine since being founded in 1952 by Sister Ignatia Gavin, CSA, who was known as the "Angel of Alcoholics Anonymous."

Mission in Action

Rosary Hall reflects the Catholic call to accompany those struggling with addiction with compassion, perseverance and hope. Rooted in the Gospel call to care for those in need, Rosary Hall offers healing and a reminder to each person that they are not alone on the journey toward recovery and wholeness.
