

St. Vincent Charity Health & Healing Hub

Addressing Social Drivers of Community Health

The St. Vincent Charity Health & Healing Hub, a neighborhood legacy initiative of the Sisters of Charity Health System, serves as a hub for the community, offering comprehensive programming and services to address the most critical needs, including housing, food access, education and workforce development.

The Health & Healing Hub continues to serve the neighborhood of the former St. Vincent Charity Medical Center, located on this historic campus in Cleveland's Central neighborhood. Built by listening to residents and powered by collaboration, the Hub is more than a place. It's a movement to create a healthier, more hopeful future for the community.

By the Numbers in 2025

More than **10,000** people were served by the initial programs and initiatives of the Health & Healing Hub in 2025:

- **3,500+** meals served at St. Vincent Charity Mission Kitchen
- **2,300+** internal medicine patient encounters
- **2,700** addiction medicine patient encounters at Rosary Hall
- **16,296** prescriptions filled at the outpatient pharmacy

Building Hope

The Health & Healing Hub is not a single program or building. It is a geographic campus and coordinated system of care, designed to respond to the complex realities of Cleveland's Central neighborhood by addressing the social determinants of health through a connected, whole-person approach.

The Hub is built around deep partnerships with community-based organizations, anchor institutions and social service providers. Together, this network supports a strategy to advance individual and community well-being by meeting basic needs, promoting academic success, supporting family engagement, enabling access to quality health care and elevating socio-economic mobility.

For 175 years, the Sisters of Charity of St. Augustine have stood with Cleveland's Central neighborhood, meeting people

where they are and caring for the whole person. As challenges like poverty, violence and limited resources grow, that legacy continues with the St. Vincent Charity Health & Healing Hub.

Mission in Action

The St. Vincent Charity Health & Healing Hub reflects Catholic Social Teaching by bringing together a variety of partners to address poverty and injustice, and promote the flourishing of the whole person. Rooted in the Gospel call to love and serve our neighbors, the Hub works alongside the community to create greater opportunity, well-being and hope through compassion and collaboration.
